

TOTAL ALLOCATIONS TO COUNTY GOVERNMENTS (ITEMISED)

Article 202 (1) of the Constitution provides that revenue raised nationally shall be shared equitably among national and county governments. This money is sent to counties using the CRA formula.

Article 202 (2) states that counties may be given additional allocations from the national government's share of revenue, either conditionally or unconditionally.

The allocation for financial year 2012/2013 only covered three months that is March to June 2013 as that is when county governments came in to being after the 2013 general elections.

The table below shows total allocations to county government comprising of both **equitable and conditional transfers (itemised) to date.**
